INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Housing Authority of the City of McAllen
McAllen, Texas

We have audited the accompanying financial statements of the business-type activities, and the aggregate blended presented component units, of the Housing Authority of the City of McAllen (MHA) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the MHA's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, the aggregate blended presented component units, of the MHA, as of June 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

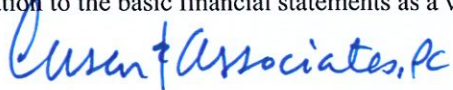

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise MHA's basic financial statements. The combining program schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining program schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Transforming Families, Strengthening Communities

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE YEAR ENDED JUNE 30, 2021

HOUSING AUTHORITY OF THE CITY OF MCALLEN, TEXAS
Management's Discussion and Analysis
For the Year Ended June 30, 2021

Agency Overview

The Housing Authority of the City of McAllen, Texas (MHA) was created in 1939 by the City of McAllen with a mutual promise to eliminate unsafe and unsanitary dwellings by promoting the creation of safe, decent and affordable housing. This promise sets our mission “*Transforming Families - Strengthening Community*” and drives our commitment to meet the housing needs of our community.

Through our monthly service to over 3,500 family members through Public Housing and Tenant Based Section 8 Housing programs we recognize that housing is the beginning step toward transforming families. Our resident services also provide access to social services and educational opportunities. It is through our partnerships with community stake holders that we are able to provide family self-sufficiency and mobility opportunities.

MHA provides a variety of programs through partnerships with Texas Workforce Commission, McAllen I.S.D., South Texas College, Texas Agri-Life and Frost Bank. These partnerships assist MHA in providing job skills training, financial literacy, computer skills, health and wellness, and citizenship opportunities to our residents. MHA is committed to the continuation and expansion of these types of partnerships that will advance every residents' opportunity to become self-sufficient.

MHA remains committed to exceptional performance in the Public Housing Assessment System (PHAS) and in the Section Eight Management Assessment Program. Our staff members work proactively to ensure these programs are administered professionally and are committed to delivering quality housing opportunities and services to our residents. In Fiscal Year 2020-2021, construction on a 120-unit multi-family, Low Income Housing Tax Credit (LIHTC) property known as Green Jay Apartments was completed. Additionally, construction began on another 96-unit multi-family, LIHTC property known as Hibiscus Village. The planning of Rental Assistance Demonstration (RAD) Phase 2 and 3 for Retama Village continues to be ongoing. MHA's overall Housing Choice Voucher utilization was impacted by the COVID-19 pandemic but, managed to maintain an annual average of 93% which, translates into additional HCV Program and Administrative funding for next fiscal year.

Looking ahead, we are anticipating an exciting future for MHA. We are committed to providing quality affordable housing within the City of McAllen. We will continue to expand our current housing programs, will identify new and creative ways to address the needs of the affordable housing market of McAllen, and will remain committed to our goal of “*Transforming Families - Strengthening Community*”.

Program Summaries

Low Rent Public Housing

MHA currently operates 89 public housing units on 2 developments throughout the City of McAllen, Texas. These units provide housing to approximately 410 individuals.

Retama Village Phase I - 64 units
Retama Village Phase II – 25 units

Both developments are represented by one resident council.

Capital Fund Program

Each year MHA receives financial support from the U.S. Department of Housing and Urban Development (HUD) through the Capital Fund Program (CFP). This program permits housing authorities to make physical improvements to public housing, develop new public housing units, and with HUD approval, use Capital Funds for debt service on private market borrowing. In Fiscal Year 2020-2021, MHA expended a total of \$531,514 in capital funds.

HCV Section Eight Management Assessment Program (SEMAP)

Each year MHA’s HCV Program undergoes an independent performance review by the U.S. Department of Housing and Urban Development. Fourteen components of the program are scored on a 145 point scale. However, in Fiscal Year 2020-2021, COVID-19 changed the method in which the HCV program was scored. HUD made waivers available to housing authorities that opted to receive a carry-over of the prior year score. MHA opted for the carry-over and maintained a 99% score and was designated a “High Performer” PHA by HUD.

HCV Family Self-Sufficiency (FSS)

Under the FSS program, low-income families are provided opportunities for education, job training, homeownership, and other forms of social service assistance, while living in assisted housing, so they can obtain skills necessary to achieve self-sufficiency.

Once an eligible family is selected to participate in the program, MHA, and the head of each participating family execute a 5-year FSS Contract of Participation that specifies the rights and responsibilities of both parties and the goals and services for the family. The family works with our Resident Services Department to be connected to services to assist with completing their goals.

An interest-bearing escrow account is established by MHA on behalf of the participant, where monthly deposits are made throughout the duration of the family’s participation in the program. The escrow account funds are paid to the participant upon successful completion of all FSS program goals.

Fiscal Year 2020-2021 reflected favorable results for the HCV FSS program. Participants in the program completed financial literacy classes, financial credit counseling classes, employment interview skills classes, and complete life skills classes. Overall tenant escrow funds decreased by approximately 42% compared to the previous year. The decrease was due to participants graduating from the FSS program and withdrawing their earned escrow funds.

ANNUAL FINANCIAL AND COMPLIANCE REPORT

In this section of the analysis, we, the managers of the Housing Authority of the City of McAllen, Texas (MHA), discuss and analyze MHA's financial performance for the year ended June 30, 2021. Please read it in conjunction with our independent auditor's report and MHA's basic financial statements.

Financial Highlights

- Net assets invested in capital assets, net of related, debt increased by \$587 (in thousands) as compared to the previous year's end. Unrestricted net assets increased by \$337 (in thousands) as compared to the previous year. Restricted Net Assets decreased by \$272 (in thousands) as compared to the previous year.
- Total revenues for the year ended June 30, 2021 were \$10,580 (in thousands).
- Total expenses of all the MHA programs were \$9,928 (in thousands) for the year ended June 30, 2021.
- Total debt for Bonds and Notes decreased by \$295 (in thousands) when compared to the previous year.

Using This Annual Report

This annual report consists of a series of financial statements. The government-wide financial statements include the Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position, and the Statement of Cash Flows. These statements provide information about the activities of MHA as a whole and present a long-term view of MHA's property and debt obligations and other financial matters. They reflect the flow of total economic resources in a manner similar to the financial reports of a business enterprise.

Fund financial statements report MHA's operations in more detail than the Primary Government statements by providing information about MHA's most significant funds. The fund financial statements tell how the services of MHA were provided to departments within MHA or to external customers and how the rent revenues covered the expenses of providing these services.

The Notes to the Financial Statements provide narrative explanations or additional data needed for full disclosure in the Primary Government statements and the fund financial statements.

The section labeled Single Audit Section contains data used by monitoring or regulatory agencies for assurance that MHA is using funds supplied in compliance with the terms of the grants.

Financial Analysis

Primary Government Financial Statements

The financial statements of MHA included in this report are those of a special-purpose government engaged solely in business-type activities. The U.S. Department of Housing and Urban Development (HUD) requires that activities it funds be reported as business-type activities.

The analysis of MHA's overall financial condition and operations begins with the Statement of Net Position. Its primary purpose is to show whether MHA is improving or deteriorating financially as a result of the year's activities. The Statement of Net Position includes all of MHA's assets and liabilities at the end of the year while the Statement of Revenues, Expenses, and Changes in Net Position includes all the revenues and expenses generated by the Authority's operations during the year. The Statement of Cash Flows reports MHA's cash flows from operating, investing, and capital and non-capital financing activities. These apply the accrual basis of accounting which is the basis used by private sector companies.

All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. MHA's revenues are divided into those provided by outside parties who share the costs of some programs, such as the U.S. Department of Housing and Urban Development, and those provided by users of MHA's services, such as rental income. All of MHA's assets are reported whether they serve the current year or future years. Liabilities are considered regardless of whether they must be paid in the current or future years.

The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report MHA's net position and the changes in it for the year. MHA's net position (the difference between assets and liabilities) provides one measure of MHA's financial health, or financial position. Over time, increases or decreases in MHA's net position is one indicator of whether its financial health is improving or deteriorating. To fully assess the overall health of MHA, however, you should consider nonfinancial factors as well, such as changes in the condition of MHA's facilities and external economic influences.

Reporting the Authority's Most Significant Funds

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds, not MHA as a whole. Laws and contracts require MHA to establish funds to account for resources received from HUD. MHA's administration establishes additional funds to help it control and manage money for particular purposes.

Proprietary funds – MHA reports the activities for which it charges users (whether outside customers or other units or departments of MHA) in proprietary funds using the same accounting methods employed in the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Assets.

Our analysis focuses on the net position (Table I) and changes in net position (Table II) of MHA's business-type activities.

Net position increased by \$652 (in thousands) as compared to the previous year's end. Unrestricted net position – the part of net position that can be used to finance day-to-day operations without constraints by debt covenants, enabling legislation or other legal requirements – was \$5,459 (in thousands) at year-end.

Net position invested in capital assets, net of related debt increased by \$587 (in thousands) as compared to the previous year's end.

MHA's total debt for Bonds and Notes decreased during the current fiscal year by \$295 (in thousands) (Table IV).

Economic Factors

HUD's Rental Assistance Demonstration (RAD) program provides a stable funding platform and method for PHAs to preserve their public housing stock. MHA has opted to convert all public housing units in inventory to RAD. Phase 1 began with the successful conversion of Vine Terrace in November 2019. Preparations and planning for Phases 2 and 3 are in progress to convert all public housing units at Retama Village within the next three years.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2021

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

The Housing Authority of the City of McAllen (MHA) is a governmental entity created by the City of McAllen, Texas for the acquisition, development, modernization, operation, and administration of public housing programs. The primary purpose of MHA is to provide safe, decent, sanitary, and affordable housing to low income and elderly families in the City of McAllen, Texas. The housing programs are operated in accordance with the Housing and Urban Development guidelines.

The governing body of MHA is the Board of Commissioners which consists of five members appointed by the Mayor of the City of McAllen, Texas who have decision making authority. The Board of Commissioners appoints an Executive Director to administer the daily affairs of MHA. MHA is not included in any other governmental "reporting entity" as defined by the Governmental Accounting Standards Board (GASB) in its Statement No. 14, as amended by GASB Statement No. 39, GASB Statement No. 61, and GASB Statement No. 80. There are two component units included within MHA's reporting entity.

B. THE COMPONENT UNITS

MCALLEN HOUSING FACILITY CORPORATION

The McAllen Housing Facility Corporation (MHFC), a blended component unit of MHA, was created and organized by action of MHA under the provisions of Chapter 303, Texas Local Government Code, for the purpose of providing a means of financing the costs of residential ownership and development that will provide decent, safe and sanitary housing for persons of low and moderate income at prices they can afford.

MHFC is the sole member of Retama Village GP, LLC, a Texas limited liability company, which is the general partner of Retama Village, Ltd., a Texas limited partnership. Retama Village GP, LLC possesses an interest of .01% and the responsibility for the day to day operations. Brownstone Affordable Housing, Ltd., a Texas limited partnership, is the Class B limited partner owning a .01% interest and is the guarantor of this project. MMA Financial Affordable Housing Fund VII, L.P. is the investor possessing 99.98% interest in this project. BFIM Special Limited Partner, Inc., a Florida corporation, is the special limited partner. Retama Village, Ltd. was organized to acquire, develop and operate 138 residential units for rental to low-income tenants in McAllen, Texas.

MHFC is the sole member of Retama Village Phase II GP, LLC, a Texas limited liability company, which is the general partner of Retama Village Phase II, Ltd., a Texas limited partnership. Retama Village Phase II GP, LLC possesses an interest of .01 % and the responsibility for the day to day operations. PNC Multifamily Capital Institutional Fund VLI Limited Partnership, a Massachusetts limited partnership, is the investor possessing 99.99% interest in this project. Columbia Housing SLP Corporation, an Oregon corporation, is the special limited partner. Retama Village Phase II, Ltd. was organized to acquire, develop and operate 74 residential units for rental to low-income tenants in McAllen, Texas.

MHFC is the sole member of The Villas at Beaumont GP, LLC, a Texas limited liability company, which develops and operates 36 residential units for rental to elderly low-income tenants in McAllen, Texas. Accordingly, the financial statements of the Villas at Beaumont GP, LLC are consolidated into the financial statements of the McAllen Housing Facility Corporation.

B. THE COMPONENT UNITS

MCALLEN HOUSING FACILITY CORPORATION

MHFC is the sole member of La Vista Housing Associates GP, LLC, a Texas limited liability company, which is the general partner of the La Vista Housing Associates, Ltd., a Texas limited partnership. La Vista Housing Associates, GP, LLC possesses an interest of .005% and the responsibility for the day to day operations. Madhouse Development Services, Inc. is the Class B limited partner and possesses a .005% interest. PNC Multifamily Capital Institutional Fund XXXVI Limited Partnership, a Texas limited partnership, is the investor limited partner possessing a 99.99% interest. Columbia Housing SLP Corporation is the special limited partner. La Vista Housing Association, Ltd. was organized to acquire, rehabilitate and operate a 48 -unit apartment project known as La Vista Apartments.

MCALLEN HOUSING DEVELOPMENT CORPORATION

In February 2015, McAllen Housing Development Corporation (MHDC), a blended component unit of MHA, is sponsored and created by MHA, under the Public Facility Corporation Act with the broadest possible powers to assist it to acquire, construct, rehabilitate, renovate, repair, equip, furnish, finance, refinance, and place on service public facilities of MHA. MHDC is non-federally funded, and via a contribution from MHFC, the McAllen Housing Development Corporation purchased a 20-unit Multi-family development - Hibiscus Apartments.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

The financial statements use the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Grant funds are considered to be earned to the extent of expenditures made under the provisions of the grant. Accordingly, when such funds are received, they are recorded as deferred revenues until related and authorized expenditures have been made.

The financial statements of MHA have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Government Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the governmental accounting policies are described below.

D. ADOPTED GASB STATEMENTS

MHA adopted GASB Statement No. 80, Blending Requirements for Certain Component Units – An Amendment of GASB Statement No. 14. The objective of this statement is to improve financial reporting by clarifying the financial statement presentation requirements for certain component units. The implementation of this statement did not have a significance impact on MHA.

E. CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, MHA considers highly liquid investments to be cash equivalents if they have a maturity of three months or less when purchased.

FOR THE YEAR ENDED JUNE 30, 2021**

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

F. INTERFUND ACTIVITY

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. Interfund activity has been eliminated in the government wide statement of activities.

G. LONG-TERM DEBT

Long-term debt is reported as noncurrent liabilities in the statement of net position.

H. ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. FAIR VALUE MEASUREMENTS

The fair value framework uses a hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The fair value hierarchy is as follows:

- Level 1 Inputs – Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability at the measurement date.
- Level 2 Inputs - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the assets or liability (for example interest rates, volatilities, credit risks and default rates) or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs - Significant unobservable inputs that reflect an entity's own assumptions that market participants would use in pricing the assets or liabilities.

Fair value of assets and liabilities measured on a recurring basis at June 30, 2021 is as follows:

	Fair Value	Quoted Priced in Active Markets for Identical Assets/Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>June 30, 2021</u>				
Equity Securities	\$ 75,867	\$ 75,867	\$ -	\$ -
Total	<u>\$ 75,867</u>	<u>\$ 75,867</u>	<u>\$ -</u>	<u>\$ -</u>

HOUSING AUTHORITY OF THE CITY OF MCALLEN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2021

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

J. DEFERRED OUTFLOWS OF RESOURCES

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resource, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. MHA has \$12,106 in deferred financing costs. This amount is deferred and recognized as outflows of resources the appropriated future period when the outflow occurs.

K. ACCRUED COMPENSATED ABSENCES AND ACCRUED SICK LEAVE

It is MHA's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Accumulated vacation leave is recorded as an expense and liability as the benefits accrue to employees. Vacation pay is accumulated by regular full-time employees as follow:

1 Year - 12 Workdays per Year
6-9 Years - 13 Workdays per Year
10+ Years - 15 Workdays per Year

It is MHA's policy that employees are allowed to carry over a maximum of ten workdays per year of accumulated vacation leave into the following year. Any amount in excess of this limit is forfeited. Unused accumulated vacation leave is payable to an employee (or their beneficiary) upon termination, resignation, retirement, or death.

Sick leave credits are earned at eight hours per month for regular full-time employees and four hours per month for regular part-time employees. Employees may accumulate an unlimited amount of sick leave credits; however, accumulated unused sick leave is not payable to an employee upon separation of employment, unless the employee is a regular full-time employee with continuous service of ten years or more. Such payment is contingent upon approval of the Executive Director. A liability is recorded in the financial statements for accumulated sick leave of employees with continuous service of ten years or more.

L. ACCOUNTS RECEIVABLE

MHA believes that sufficient detail of accounts receivable balances is provided in the financial statements to avoid the obscuring of significant components by aggregation; therefore, no disclosure is provided which disaggregates those balances.

M. CAPITAL ASSETS

Capital assets include land, buildings, furniture and equipment. Capital assets are defined by MHA as assets with an initial, individual cost of more than \$2,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost when purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of assets or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Buildings, furniture and equipment of MHA and the component units are depreciated using the straight-line method over the following estimated useful lives:

Building and Improvements	7-30 Years
Motor Vehicles	5-7 Years
Office Furniture and Equipment	2-5 Years

N. PREPAID ITEMS

Payments made to vendors for services that will benefit periods beyond June 30, 2021, are recorded as prepaid items.

O. NET POSITION

Net Position, the difference between assets and liabilities, are classified into three parts: (1) *invested in capital assets, net of related debt*, which is the balance of fixed assets less accumulated depreciation, net of outstanding debt; (2) *restricted*, which are net assets subject to constraints externally imposed by funding agencies, creditors, or enabling legislation; and (3) *unrestricted*, which are net assets that do not conform to the previous two classifications. Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted are available.

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. BUDGETARY DATA

At least ninety days before June 30, the annual operating budget is adopted by the Board of Commissioners for the following year. The budget is legally adopted through the passage of a resolution. The budget's final approval rests with the Housing and Urban Development Authority when it reviews the prior year's final operations and the subsequent year's budget information.

III. DETAILED NOTES

A. DEPOSITS AND INVESTMENTS

• **MCALLEN HOUSING AUTHORITY**

The funds of MHA must be deposited and invested under the terms of a contract, contents of which are set out in the Depository Contract Law. The depository bank places approved pledged securities for safekeeping and trust with MHA's agent bank in an amount sufficient to protect MHA's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation (FDIC) insurance.

MHA maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

• **MCALLEN HOUSING FACILITY CORPORATION (MHFC)**

The funds of the MHFC must be deposited and invested under the terms of a contract, contents of which are set out in the Depository Contract Law. The depository bank places approved pledged securities for safekeeping and trust with MHA's agent bank in an amount sufficient to protect the MHFC's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of FDIC insurance.

The MHFC maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

III. DETAILED NOTES

A. DEPOSITS AND INVESTMENTS

• **MCALLEN HOUSING DEVELOPMENT CORPORATION (MHDC)**

The MHDC maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

MHA reports investments in accordance with GASB Statement No. 31, Accounting and Financial Reporting for Certain Investments and for External Investment Pools. Under the provisions of GASB Statement No. 31, governmental entities should report investments at fair value on the statement of net position. Investment income should include unrealized gains and losses (representing the change in market value) and be reported as revenue in the operating statement. Additionally, investments may be reported at amortized cost if the remaining maturity at time of purchase is one year or less, provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors.

Additional policies and contractual provisions governing deposits and investments for MHA are specified below:

Credit Risk – Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. MHA’s only investment at year end was a certificate of deposit mentioned above.

Custodial Risk for Investments – For an investment, this is the risk that, in the event of the failure of the counterparty, MHA will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All investments held by third parties were fully collateralized and held in MHA’s name.

Concentration of Credit Risk – The investment of MHA contains no limitations on the amount that can be invested in any one issuer beyond stipulated by the Public Funds Investment Act. The certificate of deposit mentioned above, represents 100% of MHA’s total investments.

Interest Rate Risk – Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. The longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that MHA manages its exposure to interest rate risk is by purchasing a combination of shorter-term and longer-term investments and by timing cash flows from maturities so that portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Foreign Currency Risk for Investments – MHA limits the risk that changes in exchange rates will adversely affect the fair value of an investment. At year-end, MHA was not exposed to foreign currency risk.

B. RESTRICTED CASH AND CASH EQUIVALENTS

MCALLEN HOUSING AUTHORITY

At June 30, 2021, MHA had restricted cash and cash equivalents under the Low Rent Housing program of \$994,379, of which \$9,379 is related to the ROSS program and \$985,000 is a result of the ground lease. Under the Section 8 Housing Choice Voucher Program, \$31,404 is restricted escrow related to the FSS program.

E. DEFINED CONTRIBUTION PLAN

The Housing-Renewal and Local Agency Retirement Plan: MHA sponsors a defined contribution plan (the plan) that covers regular full-time and part-time employees. Temporary employees are not eligible to participate in the plan. Employees may participate in the plan on the first day of the month after attaining age 18 and completing one full year of continuous and uninterrupted employment with MHA. Employees are not required to make any contributions to the plan unless the employee elects to make a voluntary employee contribution. The employer is required to make a contribution of 13% of the basic employee compensation. Employees are vested at a rate of 20% for each full year of continuous employment. MHA's contributions for the year ended June 30, 2021 were \$87,385.

F. TRANSFERS

MHA recorded transfers of \$531,514 for its Capital Fund Program for public housing allowed capital expenses and other allowed expenses.

G. RELATED-PARTY TRANSACTIONS

MCALLEN HOUSING FACILITY CORPORATION

On May 11, 2010 the MHFC (the sole member) entered into a loan agreement with the Villas at Beaumont GP LLC, in the amount of \$300,000. The finance was secured by a subordinate deed of the property. During construction, interest accrued at 8% and was paid at construction completion. Commencing with the fifth day of the first calendar month following the funding of the loan (September 2011) the loan is payable in monthly installments of \$2,201, including interest at 8%, until the maturity date fifteen years later, at which time, all remaining unpaid principal and interest is due. The loan balance as of June 30, 2021, was \$264,059.

I. CONTINGENT LIABILITIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor, cannot be determined at this time although MHA expects such amounts, if any, to be immaterial.

In the normal course of business, MHA is subject to certain contingent liabilities and un-asserted claims. These contingencies are evaluated in light of asserted claims being probable and estimable. Those claims that are probable and estimable have been accrued in the accompanying financial statements. Claims that are possible and/or not estimable are disclosed herein. Remote claims are monitored until such time as they are resolved, disclosed, or accrued.

J. SUBSEQUENT EVENTS

MHA has evaluated subsequent events through January 26, 2021, the date which the financial statements were available to be issued. No such events have occurred subsequent to the balance sheet date and through the date of MHA's evaluation that would require adjustment to, or disclosure in, the financial statements.

K. RISK MANAGEMENT

MHA is exposed to various risks of loss related to torts; theft; damage to and destruction of assets; workers compensation losses; errors and omissions; and natural disasters. MHA covers these risks through the purchase of commercial insurance. Settlement amounts have not exceeded insurance coverage.

L. CONCENTRATIONS

A significant portion of the revenues of MHA are received from programs directed by the United States Department of Housing and Urban Development. Receipt of these funds is contingent upon MHA's continued compliance with grant provisions and the continuance of the grant programs by the United States Governmental agency.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Commissioners
Housing Authority of the City of McAllen
McAllen, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, the aggregate blended presented component units, of the Housing Authority of the City of McAllen (MHA), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the MHA's basic financial statements, and have issued our report thereon dated January 28, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered MHA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MHA's internal control. Accordingly, we do not express an opinion on the effectiveness of MHA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MHA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners
Housing Authority of the City of McAllen
McAllen, Texas

Report on Compliance for Each Major Federal Program

We have audited Housing Authority of the City of McAllen's (MHA) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of MHA's major federal programs for the year ended June 30, 2021. MHA's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of MHA's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about MHA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of MHA's compliance.

Opinion on Each Major Federal Program

In our opinion, MHA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of MHA is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered MHA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of MHA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
