The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</b></p> <p>City of McAllen Community Development Block Grant Action Plan FY 2023-2024</p> <p>Highlights identifying obstacles to meeting underserved families:</p> <ul style="list-style-type: none"> <li>• McAllen is located in one of the fastest growing regions in the country, and its population threatens to outstrip the existing capacity of local housing and community development organizations. With ongoing cutbacks to public services, individuals and families will be hard pressed to meet their needs for affordable housing and other community development assistance.</li> <li>• McAllen percentage of households living in poverty was 20.97%; higher than average unemployment at 4.3%</li> <li>• Housing market analysis: the median gross rent has risen 47.7% from \$541 (2017) to \$799 (2021) during the same period. This drastic inflation of the rental market indicates a growing barrier to affordable housing for renters in McAllen and throughout Hidalgo County.</li> <li>• Much of the region continues to struggle with high unemployment. The February 21, 2024 data for non-seasonal adjusted unemployment rate for the McAllen-Edinburg-Mission MSA was 7.0% (Bureau of Labor Statistics)</li> <li>• A major contributor to the region’s high unemployment and poverty rates is its low educational attainment levels. According to the 2018-2022 Census assessment, 78.7 percent of residents of McAllen have at least a high school diploma, compared to 85.2 % statewide. However, the percent of McAllen’s residents who have a bachelor’s degree or higher are comparable with the state level, 31.8% and 32.3% respectively.</li> </ul> <p>In order to overcome the identified obstacles, the City of McAllen has designated social services, housing and infrastructure, public facilities and economic developments activities as “High” priorities. As such HUD-awarded funds will be utilized to further these types of activities for the benefit of low-and moderate income persons.</p>
