#### INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners Housing Authority of the City of McAllen, Texas McAllen, Texas

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities and the aggregate blended presented component units of the Housing Authority of the City of McAllen, Texas (MHA) as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise MHA's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate blended presented component units, of MHA as of June 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MHA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MHA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MHA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MHA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise MHA's basic financial statements. The accompanying combining financial statements and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### Other Reporting Required by Government Auditing Standards

Went associates, Pe

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2023, on our consideration of MHA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of MHA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MHA's internal control over financial reporting and compliance.

Transforming Families, Strengthening Communities

# MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED JUNE 30, 2023

Management's Discussion and Analysis For the Year Ended June 30, 2023

#### **Agency Overview**

The Housing Authority of the City of McAllen, Texas (MHA) was created in 1939 by the City of McAllen with a mutual promise to eliminate unsafe and unsanitary dwellings by promoting the creation of safe, decent and affordable housing. This promise sets our mission "*Transforming Families - Strengthening Community*" and drives our commitment to meet the housing needs of our community.

Through our monthly service to over 4,000 family members through Public Housing and Tenant Based Section 8 Housing programs we recognize that housing is the beginning step toward transforming families. Our resident services also provide access to social services and educational opportunities. It is through our partnerships with community stake holders that we are able to provide family self-sufficiency and mobility opportunities.

MHA provides a variety of programs through partnerships with Texas Workforce Commission, McAllen I.S.D., South Texas College, Texas Agri-Life and Frost Bank. These partnerships assist MHA in providing job skills training, financial literacy, computer skills, health and wellness, and citizenship opportunities to our residents. MHA is committed to the continuation and expansion of these types of partnerships that will advance every residents' opportunity to become self-sufficient.

MHA remains committed to exceptional performance in the Public Housing Assessment System (PHAS) and in the Section Eight Management Assessment Program. Our staff members work proactively to ensure these programs are administered professionally and are committed to delivering quality housing opportunities and services to our residents. In Fiscal Year 2022-2023, construction was completed on a 96-unit multi-family, Low Income Housing Tax Credit (LIHTC) property known as Hibiscus Village. The planning of Rental Assistance Demonstration (RAD) Phase 2 and 3 for Retama Village continues to be ongoing. MHA's overall Housing Choice Voucher utilization maintained an annual average of 99% which, translates into additional HCV Program and Administrative funding for next fiscal year.

Looking ahead, we are anticipating an exciting future for MHA. We are committed to providing quality affordable housing within the City of McAllen. We will continue to expand our current housing programs, will identify new and creative ways to address the needs of the affordable housing market of McAllen, and will remain committed to our goal of "Transforming Families - Strengthening Community".

Management's Discussion and Analysis For the Year Ended June 30, 2023

#### **Program Summaries**

#### **Low Rent Public Housing**

MHA currently operates 89 public housing units on 2 developments throughout the City of McAllen, Texas. These units provide housing to approximately 410 individuals.

Retama Village Phase I - 64 units Retama Village Phase II - 25 units

Both developments are represented by one resident council.

#### **Capital Fund Program**

Each year MHA receives financial support from the U.S. Department of Housing and Urban Development (HUD) through the Capital Fund Program (CFP). This program permits housing authorities to make physical improvements to public housing, develop new public housing units, and with HUD approval, use Capital Funds for debt service on private market borrowing. In Fiscal Year 2022-2023, MHA expended a total of \$237,629 in capital funds.

Management's Discussion and Analysis For the Year Ended June 30, 2023

#### Family Self-Sufficiency (FSS)

Under the FSS program, low-income families are provided opportunities for education, job training, homeownership, and other forms of social service assistance, while living in assisted housing, so they can obtain skills necessary to achieve self-sufficiency.

Once an eligible family is selected to participate in the program, MHA, and the head of each participating family execute a 5-year FSS Contract of Participation that specifies the rights and responsibilities of both parties and the goals and services for the family. The family works with our Resident Services Department to be connected to services to assist with completing their goals.

An interest-bearing escrow account is established by MHA on behalf of the participant, where monthly deposits are made throughout the duration of the family's participation in the program. The escrow account funds are paid to the participant upon successful completion of all FSS program goals.

Fiscal Year 2022-2023 reflected favorable results for the FSS program. Participants in the program completed financial literacy classes, financial credit counseling classes, employment interview skills classes, and complete life skills classes. Overall tenant escrow funds increased by approximately 148% compared to the previous year. The increase was due to new participants enrolling in the FSS program and increases in earned income which affects participant's monthly escrow contributions.

FY 2021-2022	Total Tenant Escrow Funds	\$24,732
FY 2022-2023	Total Tenant Escrow Funds	\$61,434

#### ANNUAL FINANCIAL AND COMPLIANCE REPORT

In this section of the analysis, we, the managers of the Housing Authority of the City of McAllen, Texas (MHA), discuss and analyze MHA's financial performance for the year ended June 30, 2023. Please read it in conjunction with our independent auditors' report and MHA's basic financial statements.

#### **Financial Highlights**

- Investment in capital assets, net of related debt decreased by \$332 (in thousands) as compared to the previous year's end. Unrestricted net assets increased by \$657 (in thousands) as compared to the previous year. Restricted Net Assets decreased by \$27 (in thousands) as compared to the previous year.
- Total revenues for the year ended June 30, 2023, were \$11,990 (in thousands).
- Total expenses of all the MHA programs were \$11,551 (in thousands) for the year ended June 30, 2023.
- Total debt for Bonds and Notes decreased by \$205 (in thousands) when compared to the previous year.

#### **Using This Annual Report**

This annual report consists of a series of financial statements. The government-wide financial statements include the Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position, and the Statement of Cash Flows. These statements provide information about the activities of MHA as a whole and present a long-term view of MHA's property and debt obligations and other financial matters. They reflect the flow of total economic resources in a manner similar to the financial reports of a business enterprise.

Fund financial statements report MHA's operations in more detail than the Primary Government statements by providing information about MHA's most significant funds. The fund financial statements tell how the services of MHA were provided to departments within MHA or to external customers and how the rent revenues covered the expenses of providing these services.

The Notes to the Financial Statements provide narrative explanations or additional data needed for full disclosure in the Primary Government statements and the fund financial statements.

The section labeled Single Audit Section contains data used by monitoring or regulatory agencies for assurance that MHA is using funds supplied in compliance with the terms of the grants.

Management's Discussion and Analysis For the Year Ended June 30, 2023

#### **Financial Analysis**

Primary Government Financial Statements

The financial statements of MHA included in this report are those of a special-purpose government engaged solely in business-type activities. The U.S. Department of Housing and Urban Development (HUD) requires that activities it funds be reported as business-type activities.

The analysis of MHA's overall financial condition and operations begins with the Statement of Net Position. Its primary purpose is to show whether MHA is improving or deteriorating financially as a result of the year's activities. The Statement of Net Position includes all of MHA's assets and liabilities at the end of the year while the Statement of Revenues, Expenses, and Changes in Net Position includes all the revenues and expenses generated by the Authority's operations during the year. The Statement of Cash Flows reports MHA's cash flows from operating, investing, and capital and non-capital financing activities. These apply the accrual basis of accounting which is the basis used by private sector companies.

All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. MHA's revenues are divided into those provided by outside parties who share the costs of some programs, such as the U.S. Department of Housing and Urban Development, and those provided by users of MHA's services, such as rental income. All of MHA's assets are reported whether they serve the current year or future years. Liabilities are considered regardless of whether they must be paid in the current or future years.

The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report MHA's net position and the changes in it for the year. MHA's net position (the difference between assets and liabilities) provides one measure of MHA's financial health, or financial position. Over time, increases or decreases in MHA's net position is one indicator of whether its financial health is improving or deteriorating. To fully assess the overall health of MHA, however, you should consider nonfinancial factors as well, such as changes in the condition of MHA's facilities and external economic influences.

#### Reporting the Authority's Most Significant Funds

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds, not MHA as a whole. Laws and contracts require MHA to establish funds to account for resources received from HUD. MHA's administration establishes additional funds to help it control and manage money for particular purposes.

Management's Discussion and Analysis For the Year Ended June 30, 2023

Proprietary funds – MHA reports the activities for which it charges users (whether outside customers or other units or departments of MHA) in proprietary funds using the same accounting methods employed in the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Assets.

Our analysis focuses on the net position (Table I) and changes in net position (Table II) of MHA's business-type activities.

Net position increased by \$353 (in thousands) as compared to the previous year's end. Unrestricted net position – the part of net position that can be used to finance day-to day operations without constraints by debt covenants, enabling legislation or other legal requirements – was \$6,760 (in thousands) at year-end.

Net investment in capital assets, decreased by \$332 (in thousands) as compared to the previous year's end.

MHA's total debt for Bonds and Notes decreased during the current fiscal year by \$205 (in thousands) (Table IV).

#### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. REPORTING ENTITY

The Housing Authority of the City of McAllen, Texas (MHA) is a governmental entity created by the City of McAllen, Texas for the acquisition, development, modernization, operation, and administration of public housing programs. The primary purpose of MHA is to provide safe, decent, sanitary, and affordable housing to low income and elderly families in the City of McAllen, Texas. The housing programs are operated in accordance with the Housing and Urban Development guidelines.

The governing body of MHA is the Board of Commissioners which consists of five members appointed by the Mayor of the City of McAllen, Texas who have decision making authority. The Board of Commissioners appoints an Executive Director to administer the daily affairs of MHA. MHA is not included in any other governmental "reporting entity" as defined by the Governmental Accounting Standards Board (GASB) in its Statement No. 14, as amended by GASB Statement No. 39, GASB Statement No. 61, and GASB Statement No. 80. There are two component units included within MHA's reporting entity.

#### B. THE COMPONENT UNITS

#### MCALLEN HOUSING FACILITY CORPORATION

The McAllen Housing Facility Corporation (MHFC), a blended component unit of MHA, was created and organized by action of MHA under the provisions of Chapter 303, Texas Local Government Code, for the purpose of providing a means of financing the costs of residential ownership and development that will provide decent, safe and sanitary housing for persons of low and moderate income at prices they can afford.

MHFC is the sole member of Retama Village GP, LLC, a Texas limited liability company, which is the general partner of Retama Village, Ltd., a Texas limited partnership. Retama Village GP, LLC possesses an interest of .01% and the responsibility for the day to day operations. Brownstone Affordable Housing, Ltd., a Texas limited partnership, is the Class B limited partner owning a .01% interest and is the guarantor of this project. MMA Financial Affordable Housing Fund VII, L.P. is the investor possessing 99.98% interest in this project. BFIM Special Limited Partner, Inc., a Florida corporation, is the special limited partner. Retama Village, Ltd. was organized to acquire, develop and operate 138 residential units for rental to low-income tenants in McAllen, Texas.

MHFC is the sole member of Retama Village Phase II GP, LLC, a Texas limited liability company, which is the general partner of Retama Village Phase II, Ltd., a Texas limited partnership. Retama Village Phase II GP, LLC possesses an interest of .01 % and the responsibility for the day to day operations. PNC Multifamily Capital Institutional Fund VLI Limited Partnership, a Massachusetts limited partnership, is the investor possessing 99.99% interest in this project. Columbia Housing SLP Corporation, an Oregon corporation, is the special limited partner. Retama Village Phase II, Ltd. was organized to acquire, develop and operate 25 residential units for rental to low-income tenants in McAllen, Texas.

MHFC is the sole member of The Villas at Beaumont GP, LLC, a Texas limited liability company, which develops and operates 36 residential units for rental to elderly low-income tenants in McAllen, Texas. Accordingly, the financial statements of the Villas at Beaumont GP, LLC are consolidated into the financial statements of the McAllen Housing Facility Corporation.

#### **B.** THE COMPONENT UNITS

#### MCALLEN HOUSING FACILITY CORPORATION

MHFC is the sole member of La Vista Housing Associates GP, LLC, a Texas limited liability company, which is the general partner of the La Vista Housing Associates, Ltd., a Texas limited partnership. La Vista Housing Associates, GP, LLC possesses an interest of .005% and the responsibility for the day to day operations. Madhouse Development Services, Inc. is the Class B limited partner and possesses a .005% interest. PNC Multifamily Capital Institutional Fund XXXVI Limited Partnership, a Texas limited partnership, is the investor limited partner possessing a 99.99% interest. Columbia Housing SLP Corporation is the special limited partner. La Vista Housing Association, Ltd. was organized to acquire, rehabilitate and operate a 48-unit apartment project known as La Vista Apartments.

#### MCALLEN HOUSING DEVELOPMENT CORPORATION

In February 2015, McAllen Housing Development Corporation (MHDC), a blended component unit of MHA, is sponsored and created by MHA, under the Public Facility Corporation Act with the broadest possible powers to assist it to acquire, construct, rehabilitate, renovate, repair, equip, furnish, finance, refinance, and place on service public facilities of MHA. MHDC is non-federally funded, and via a contribution from MHFC, the McAllen Housing Development Corporation purchased a 20-unit multi-family development - Hibiscus Apartments.

#### C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

The financial statements use the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Grant funds are considered to be earned to the extent of expenditures made under the provisions of the grant. Accordingly, when such funds are received, they are recorded as deferred revenues until related and authorized expenditures have been made.

The financial statements of MHA have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Government Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the governmental accounting policies are described below.

#### D. ADOPTED GASB STATEMENTS

MHA adopted GASB Statement No. 80, Blending Requirements for Certain Component Units – An Amendment of GASB Statement No. 14. The objective of this statement is to improve financial reporting by clarifying the financial statement presentation requirements for certain component units. The implementation of this statement did not have a significance impact on MHA.

#### E. CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, MHA considers highly liquid investments to be cash equivalents if they have a maturity of three months or less when purchased.

#### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

#### F. INTERFUND ACTIVITY

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. Interfund activity has been eliminated in the government wide statement of activities.

#### G. LONG-TERM DEBT

Long-term debt is reported as noncurrent liabilities in the statement of net position.

#### H. ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### I. FAIR VALUE MEASUREMENTS

The fair value framework uses a hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The fair value hierarchy is as follows:

- Level 1 Inputs Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability at the measurement date.
- Level 2 Inputs Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the assets or liability (for example interest rates, volatilities, credit risks and default rates) or inputs that are derived principally from or corroborated by observable market date by correlation or other means.
- Level 3 Inputs Significant unobservable inputs that reflect an entity's own assumptions that market participants would use in pricing the assets or liabilities.

Fair value of assets and liabilities measured on a recurring basis at June 30, 2023 is as follows:

			Quoted Priced in		Signigicant			
			Active	Marketsfor	Other		Sigr	nificant
			Id	entical	Obe	rvable	Unob	servable

#### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

#### J. DEFERRED OUTFLOWS OF RESOURCES

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resource, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. MHA has \$10,624 in deferred financing costs. This amount is deferred and recognized as outflows of resources the appropriated future period when the outflow occurs.

#### K. ACCRUED COMPENSATED ABSENCES AND ACCRUED SICK LEAVE

It is MHA's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Accumulated vacation leave is recorded as an expense and liability as the benefits accrue to employees. Vacation pay is accumulated by regular full-time employees and part-time regular employees who work a minimum of 20 hours per week as follow:

1-5 Years - 10 Workdays per Year6+ Years - 15 Workdays per Year

It is MHA's policy that employees vacation time must be used within each fiscal year, or the days will be forfeited. If an employee cannot take vacation days within the fiscal year due to no fault of their own, it will be carried over into the start of the next fiscal year but must be used within the first six months.

Sick leave credits are earned at 6.67 hours per month for regular full-time employees and part-time regular employees who work a minimum of 20 hours per week. Sick leave may be accumulated up to a maximum period of 90 days. However, unused sick leave is not convertible into cash, nor may it be used for any purpose other than sick leave. If employment is terminated for any reason, an employee will not receive pay for any accumulated unused sick leave.

#### L. ACCOUNTS RECEIVABLE

MHA believes that sufficient detail of accounts receivable balances is provided in the financial statements to avoid the obscuring of significant components by aggregation; therefore, no disclosure is provided which disaggregates those balances.

#### M. CAPITAL ASSETS

Capital assets include land, buildings, furniture and equipment. Capital assets are defined by MHA as assets with an initial, individual cost of more than \$2,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost when purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of assets or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Buildings, furniture and equipment of MHA and the component units are depreciated using the straight-line method over the following estimated useful lives:

Building and Improvements 7-30 Years Motor Vehicles 5-7 Years Office Furniture and Equipment 2-5 Years

#### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

#### N. PREPAID ITEMS

Payments made to vendors for services that will benefit periods beyond June 30, 2023, are recorded as prepaid items.

#### O. NET POSITION

Net Position, the difference between assets and liabilities, are classified into three parts: (1) *invested in capital assets, net of related debt,* which is the balance of fixed assets less accumulated depreciation, net of outstanding debt; (2) *restricted,* which are net assets subject to constraints externally imposed by funding agencies, creditors, or enabling legislation; and (3) *unrestricted,* which are net assets that do not conform to the previous two classifications. Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted are available.

#### II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

#### A. BUDGETARY DATA

At least ninety days before June 30, the annual operating budget is adopted by the Board of Commissioners for the following year. The budget is legally adopted through the passage of a resolution. The budget's final approval rests with the Housing and Urban Development Authority when it reviews the prior year's final operations and the subsequent year's budget information.

#### III. DETAILED NOTES

#### A. DEPOSITS AND INVESTMENTS

#### • MCALLEN HOUSING AUTHORITY

The funds of MHA must be deposited and invested under the terms of a contract, contents of which are set out in the Depository Contract Law. The depository bank places approved pledged securities for safekeeping and trust with MHA's agent bank in an amount sufficient to protect MHA's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation (FDIC) insurance.

MHA maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

#### • MCALLEN HOUSING FACILITY CORPORATION (MHFC)

The funds of the MHFC must be deposited and invested under the terms of a contract, contents of which are set out in the Depository Contract Law. The depository bank places approved pledged securities for safekeeping and trust with MHA's agent bank in an amount sufficient to protect the MHFC's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of FDIC insurance.

The MHFC maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

#### III. <u>DETAILED NOTES – (CONTINUED)</u>

#### A. DEPOSITS AND INVESTMENTS

#### • MCALLEN HOUSING DEVELOPMENT CORPORATION (MHDC)

The MHDC maintains cash accounts at financial institutions that are insured by the Federal Deposit Insurance Company (FDIC). At times, balances deposited with financial institutions have exceeded FDIC coverage; however, the deposits are secured by approved securities pledged as collateral.

MHA reports investments in accordance with GASB Statement No. 31, Accounting and Financial Reporting for Certain Investments and for External Investment Pools. Under the provisions of GASB Statement No. 31, governmental entities should report investments at fair value on the statement of net position. Investment income should include unrealized gains and losses (representing the change in market value) and be reported as revenue in the operating statement. Additionally, investments may be reported at amortized cost if the remaining maturity at time of purchase is one year or less, provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors.

Additional policies and contractual provisions governing deposits and investments for MHA are specified below:

Credit Risk – Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. MHA's only investment at year end was a certificate of deposit mentioned above.

**Custodial Risk for Investments** – For an investment, this is the risk that, in the event of the failure of the counterparty, MHA will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All investments held by third parties were fully collateralized and held in MHA's name.

**Concentration of Credit Risk** – The investment of MHA contains no limitations on the amount that can be invested in any one issuer beyond stipulated by the Public Funds Investment Act. The certificate of deposit mentioned above, represents 100% of MHA's total investments.

Interest Rate Risk – Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. The longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that MHA manages its exposure to interest rate risk is by purchasing a combination of shorter-term and longer-term investments and by timing cash flows from maturities so that portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

**Foreign Currency Risk for Investments** – MHA limits the risk that changes in exchange rates will adversely affect the fair value of an investment. At year-end, MHA was not exposed to foreign currency risk.

#### B. RESTRICTED CASH AND CASH EQUIVALENTS

#### MCALLEN HOUSING AUTHORITY

At June 30, 2023, MHA had restricted cash and cash equivalents under the Low Rent Housing program of \$5,830 related to the ROSS program and \$985,000 for the Hibiscus prepaid leasehold. Under the Section 8 Housing Choice Voucher Program, \$26,199 is restricted for the Section 8 program, \$55,604 is restricted for escrow related to the FSS program, \$10,232 is restricted to the FSS escrow forfeitures and \$100,673 is restricted to the Emergency Housing Voucher and the Homeowner Assistance programs.

#### III. <u>DETAILED NOTES - (CONTINUED)</u>

#### B. RESTRICTED CASH AND CASH EQUIVALENTS

#### MCALLEN HOUSING FACILITY CORPORATION

At June 30, 2023, the McAllen Housing Facility Corporation had restricted cash and cash equivalents of \$483,835 of which \$372,743 is restricted for capital improvements to financed properties and tenant security deposits of \$83,998 and \$27,094 in donations for scholarships.

#### MCALLEN HOUSING DEVELOPMENT CORPORATION

At June 30, 2023, the McAllen Housing Development Corporation had restricted cash and cash equivalents of \$13,264 restricted for tenant security deposits.

#### I. CONTINGENT LIABILITIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor, cannot be determined at this time although MHA expects such amounts, if any, to be immaterial.

In the normal course of business, MHA is subject to certain contingent liabilities and un-asserted claims. These contingencies are evaluated in light of asserted claims being probable and estimable. Those claims that are probable and estimable have been accrued in the accompanying financial statements. Claims that are possible and/or not estimable are disclosed herein. Remote claims are monitored until such time as they are resolved, disclosed, or accrued.

#### J. SUBSEQUENT EVENTS

MHA has evaluated subsequent events through November 15, 2023, the date which the financial statements were available to be issued. The McAllen Housing Facility Corporation (MHFC) acquired a 99.99% partnership interest in the La Vista Housing Associates, LTD (LTD) on July 31, 2023. MHFC also continues to be the sole member of La Vista Housing Associates GP LLC, which holds a .01% partnership interest in La Vista Housing Associates, LTD. The LTD's single asset is a 48-unit apartment complex known as La Vista Apartments, financed through a tax credit program, which was at the end of its compliance period. Management's plan is to reposition La Vista Apartments under another tax credit program within three years.

#### K. RISK MANAGEMENT

MHA is exposed to various risks of loss related to torts; theft; damage to and destruction of assets; workers compensation losses; errors and omissions; and natural disasters. MHA covers these risks through the purchase of commercial insurance. Settlement amounts have not exceeded insurance coverage.

#### L. CONCENTRATIONS

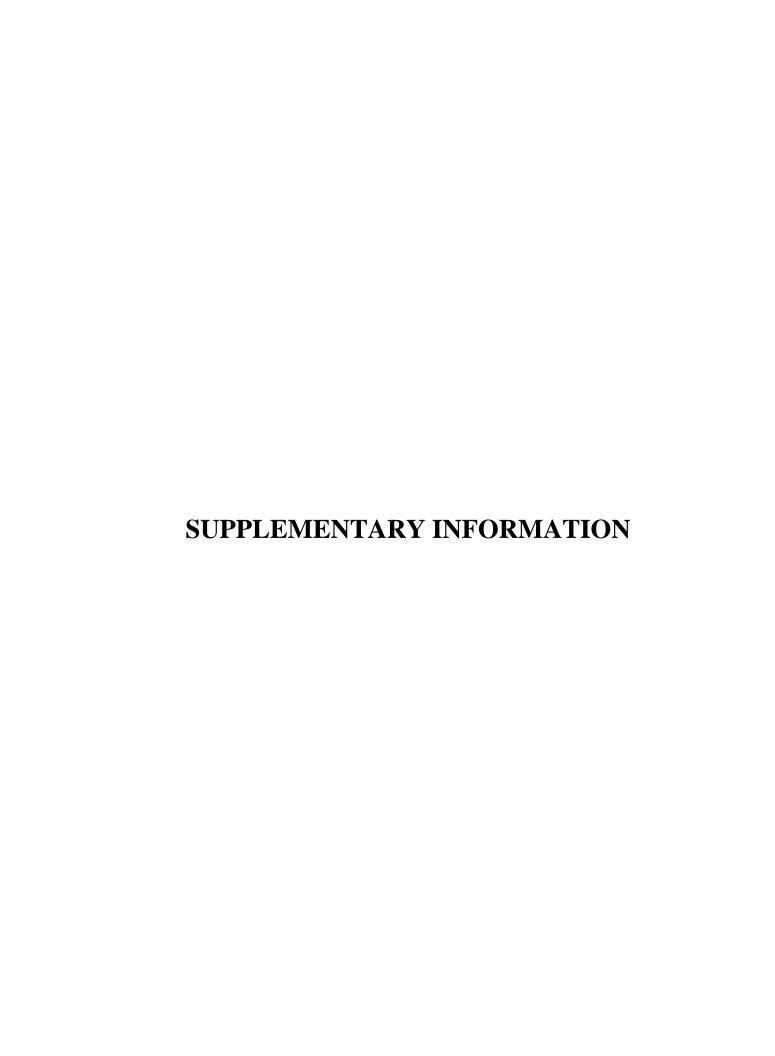

A significant portion of the revenues of MHA are received from programs directed by the United States Department of Housing and Urban Development. Receipt of these funds is contingent upon MHA's continued compliance with grant provisions and the continuance of the grant programs by the United States Governmental agency.

#### III. <u>DETAILED NOTES – (CONTINUED)</u>

#### M. PRIOR PERIOD ADJUSTMENTS

A prior period adjustment of \$121,271 was recorded in 2023 for accumulated depreciation related to Villas at Beaumont which was understated, the net effect of the adjustment was a decrease to beginning net position.

End of Notes.

### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Housing Authority of the City of McAllen, Texas McAllen, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the business-type activities, the aggregate blended presented component units, of the Housing Authority of the City of McAllen, Texas (MHA), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise MHA's basic financial statements, and have issued our report thereon dated November 15, 2023.

#### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered MHA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MHA's internal control. Accordingly, we do not express an opinion on the effectiveness of MHA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether MHA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners Housing Authority of the City of McAllen, Texas McAllen, Texas

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited the Housing Authority of the City of McAllen, Texas (MHA) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of MHA's major federal programs for the year ended June 30, 2023. MHA's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, MHA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of MHA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of MHA's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to MHA's federal programs.

#### Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on MHA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about MHA's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding MHA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of MHA's internal control over compliance relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances and to test and report on internal control over
  compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on
  the effectiveness of MHA's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
